

TCW GLASS CLEANER TDS & APPLICATION GUIDE

Glass Cleaner is a low flammability blend of alcohol and solvent. It provides excellent cleaning power and streak free results.

MAIN FEATURES

- Low Streaking
- Low / Non Flammable
- Good Cleaning Power
- Easy To Use

APPLICATION & USE

The product is intended to be applied using a spray, either directly to the glass or with a microfibre cloth. Spread and wipe to remove soiling, then buff with a second, clean, cloth.

For best results use one cloth to apply and a second to buff clean for streak-free results.
