

TCW HYDROPHOBIC QUICK DETAILER TDS & APPLICATION GUIDE

PROPERTIES / PRODUCT DESCRIPTION

Hydrophobic Quick Detailer is a high quality detailing spray. It delivers a glossy and highly durable finish to all surfaces. If you need a product which is easy to use, leaves a hydrophobic layer of protection, or need to top up existing protection – Quick Detailer is the product to fit your needs. Quick Detailer is ideal for use on paintwork, plastics, GRP and many other hard surfaces. With its cleaning ability coupled with protection properties and high gloss shine it can be used to provide a stunning finish including over the top of existing coatings. It can also be used to remove finger prints, light soiling and dust, on interior and exterior surfaces. Quick Detailer also has a refreshing fragrance to it making it extremely user friendly.
